To whom it may concern,

Sony has reviewed its obligations under RoHS & REACH compliancy and considers that the following is the correct understanding of the company position.

We have contacted the suppliers of these materials and components for Raspberry Pi products and have received written confirmation stating that their compliant with RoHS and REACH regulations.

Therefore, I can confirm that all Raspberry Pi products are RoHS & REACH compliant.

If you have any questions or queries, please do not hesitate to get in contact.

Yours faithfully,

Graham Jones

Head of Supply Chain
